

Submitting FSA Receipts to Discovery Benefits

If you participate in an OGB Flexible Spending Arrangement, this [short video](#) explains the three easy ways you can provide the necessary documentation to Discovery Benefits for reimbursement.

Be sure to send in your receipts promptly. If a receipt is needed and it is not provided, your debit card will be temporarily suspended from use until Discovery Benefits receives the proper documentation.

If you have any questions, please contact Discovery Benefits customer service, toll-free, at 1-866-451-3399.
